The annual meeting of the EDSIG will take place at 5:30 p.m. on Saturday November 5th, 2011 at the Hilton Wilmington Riverside during the 30th Information Systems Educators Conference (ISECON) in Wilmington, North Carolina, USA. ISECON is held jointly with the Conference on Information Systems Applied Research (CONISAR).

Key items on the agenda are:

1. The election of the following members of the Board of Directors:
 - President
 - Vice President
 - 4 members at large for 2-year terms
 - 1 member at large for a 1-year term (Three were elected for 2-year terms last year. One more must be selected so that we may elect 4 on even years and 4 on odd years beginning next year.)

2. Voting on two by-law changes proposed by the directors for clarification purposes:
 - Replace wording in Article VI of the by-laws, point 6, referring to term lengths to include "President and vice-president will serve one year terms."
 - Replace wording in Article VII of the by-laws, point 5, referring to term limits to read "No person may serve as a member-at-large for more than six (6) consecutive years. No person may serve as president for more than two consecutive terms. No person may serve as vice-president for more than two consecutive terms."

If you are interested in running for any position please email Past President Tom Janicki at janickit@uncw.edu. More details about the positions may be found in the bylaws posted at <http://www.edsgibh.org/internal>.
